Is constantly receiving unsolicited testimony of the *astonishing cures* performed by her. Many recently received are the following, we commend to the notice of the afflicted. Manchester may be consulted at
No. 11 Clapp's Block, Room N

This is to certify that I went to see Mrs. J. M. March with a daughter of mine troubled with spinal disease, for which she had been doctored five years, and by a number of physicians; and she has had twenty-one applications of electricity applied, but all to no effect; but continually grew worse. I came to the conclusion the last resort, to go and see Mrs. Mancheson; and so, to my great surprise she told me the cause of the disease, and how she had been cured in time, which encouraged me to try her medicine.

the house all of the time. She also rides ten miles without any trouble or inconvenience. I think in a short time she will be restored to health. Since my daughter has been cured, I have heard of a great many cases that Mrs. Carter has cured. I think if any person desires to be cured, it is the one who tries to preserve the life of the sick and suffering; and I know that every effort which lies in her power to be a patient.

ONE OF THE GREATEST CURES ON EARTH.
MRS. MANCHESTER.—Dear Madam:—The statement of my case may be of service to similarly afflicted. I hasten to give it to you.
 This is briefly my case—I was taken sick months ago with the Liver Complaint in a form. I applied to four different physicians, received no benefit until I called on you. At I had given up business, and was in a very bad state, after taking your medicine for a short time I recovered, and am now well.

**A REMARKABLE CURE OF A CASE OF
 SCURVY CURED BY MRS. MANCHESTER**

This is to certify that I have been cured of
 Dropsy of fifteen years standing by Mrs. Man-
 chester. I have been to physicians in Boston, Vir-
 ginia, and Philadelphia. They all told me that I

sured me that by tapping I could live but time. I had made up my mind to go home as long as I could with the disease, and then my way home I stayed over night in Fort St. A friend of mine, and told them what my regard to my disease. They snailly persuade to go and see Mrs. Manchester. She came and told me my case exactly.

from any course whatever; nearly I took
alone and went home. In one week from the
commenced taking the medicine, I had
gallons of water pass me in seven hours; al-
low suffers may be assured that it was a
to me. I had not been able to lie down
night before this for two years. Now I can
with perfect ease. I have taken her med-
eight months, and am as well as any man
to be, and no signs of dropsy. I would
that are sick to go and consult Mrs. Mc-

diseases, and she has cured them also. Go
 for yourselves. I had no faith, but now
 cannot be shaken in her skill in telling a
 disease.
